TERMS AND REGULATION

★ **Activation Fee – US\$580 per Pigeon** ★ **Acceptance Period: 1st March – 30th June 2026**

★ **Initial Payment:** Pay the fee for 1 pigeon when entering the first pigeon.

After 100 km Qualifying Toss: For pigeons returning within the first 3 days, the fee for the first pigeon will be deducted, and the remaining fees must be paid within 5 days. For pigeons returning on Day 4–5, participants may choose to activate them. If activation is not paid, the pigeons will be disqualified.

Non-Payment Penalty: Failure to pay the remaining fees on time will result in all pigeons from the team being removed from the race. The organizer assumes ownership, and the prepaid fee is non-refundable.

Example: Team “DAY” sends 12 pigeons and pays the activation fee for 1 pigeon upfront. If 8 pigeons pass the 100 km qualifying toss, an invoice for 7 × US\$580 = US\$4,060 will be issued.

Refund: If no pigeons are basketed for the 100 km qualifying toss, the US\$580 prepaid fee will be refunded.

ACE PIGEON RULES

** Winners are determined exclusively by flight times recorded through the Benzing timing system across all race points.

** The pigeon with the shortest total flight time will be awarded the Ace Pigeon title for that category.

** In the event of a tie, the pigeon with the shortest time in the longest distance of the category will be declared the winner.
