

PATTAYA INTERNATIONAL
PIGEON RACE

The 5th PATTAYA INTERNATIONAL PIGEON RACE

FINAL RACE

8th - 10th JANUARY 2021

TOTAL PRIZE

US\$ 1.11 MILLIONS

FCI Racing Pigeons Grand Prix
Mundial Ranking FCI

PIGEON COLLECTING

From 1st March - 31st July 2020

Application

1. Applicants must fill in the application form and submit it together with the Pedigree Certificate to the corresponding person or the competition organizer.
2. In the event that the applicant is not the actual owner of the pigeons, such applicant must obtain an approval for sending the pigeons or a letter of authorization from the pigeons owner.
3. Pigeons can be sent locally and internationally. Breeder /participants must read the terms and conditions carefully and accept the rules set out by the organization.
4. These pigeons must have an age of approximately 45-60 days. These pigeons must have the allocated pigeon rings attached that are specific to that particular country. For participant/breeder who want to be ranked in our Grand Prix Race, these pigeons must have rings certified by FCI.
5. In some countries or areas that are suspected of having epidemics where diseases can spread easily or are contagious, these pigeons will not be allowed to participate in Pattaya One Loft Race with no exception.
6. The registration process is finalized once a team name has been registered in our system. Changing or modifying the registered name afterwards is **not allowed**. Kindly carefully consider your team's name when registering.

Application Fee

1. The application fees is **USD 550 per pigeon**.
2. The participant/breeder shall make an advance payment of USD550 to the organizer as a raising allowance for the first pigeon; whereby such payment shall be made for 1 pigeon/Team.
Example 20 submitted pigeons shall be subjected to deposit payment USD550 (Based on registered team name provided)
3. In the event of a sick, dead, or lost pigeon during training, the organizer will inform the participant/breeder of such incident; whereby the participant/breeder may replace the pigeon with a new one. Replacement period is between 1st March to 31st July 2020. The organizer will not be held responsible for the illness, death, or loss of pigeons in any cases.
4. In case of participant/breeder who has no pigeons left before the qualifying round 120km. **The application fees of USD550 per team will be refunded.**

Application Fee

5. Upon completion of the qualifying round at 120 km, the participant/breeder shall pay for the application fees according to the number of returned pigeons, less the advance payment that had already been paid. This will activate qualified pigeons for 3 subsequent races. For example, if 18 out of 20 pigeons returned after the qualifying round at 120 km, the participant/breeder shall pay the application fees for the remaining 17 pigeons.
6. Freight and shipping expenses will be paid to the pigeon collector by participant.
7. Only Thai baht (THB) and USdollar (USD) are acceptable for the payment. Any outstanding balance must be made in the same currency that was previously paid in.
8. Prizes will be paid in the same currency as application fees.
9. The organizer will use the foreign exchange rate indicated by the Bank of Thailand for exchanging Thai Baht to US Dollar.

Competition Rules

1. After the pigeon has been sent to the loft and is under the supervision of the organizer, the participant/breeder shall have no right to engage in a physical contact with the pigeon.
2. The organizer will cover the chip ring of each participating pigeon in order to prevent any tampering of the chip.
3. In each round of competition, the color of the ring cover will be changed and in the final round of competition, the ring cover will be removed.
4. The referees will make the decision to terminate unfit pigeons from participating in any races that are caused by sickness or serious injuries.
5. The second race course 430km is recognized by FCI. For participant/breeder who want to be ranked in our Grand Prix Race, these pigeons must have rings certified by FCI.
6. Qualified toss 120 km course, in the event of pigeons returned after the timing were closed but before the first race has begun will be considered as qualified pigeons. Participants/breeder shall make payments to the organizer to activate those pigeons. If the participant/breeder decided not to pay the application fees, all qualified pigeons shall be declined from all races and will be terminated from participation instantly. In this case, those pigeons will be owned by the organizer and the organizer will have the right to take any action as deemed appropriate.
7. All 3 race courses being 330 km, 430 km and 530 km, the organizer will start timing the race for 2 days (race timing will stop @18:00 hrs on the next day of race day).

Qualifying Round 120 km course

1. The organizer will start timing for 5 days (including toss day) and we will stop timing on the fifth day at 18:00 hrs (6.00 pm GMT+7).
2. Participant/breeder can view the qualified toss result through our website www.oneloftrace.live. The organizer will upload ring number and pigeon wing photo of non-activate bird on website www.pattayaoneloftrace.com/participant.php. The organizer will issue invoices including ring number of qualified pigeons to the participants/breeders for payment.
3. For pigeons that **returned within the first 3 days** from the date of release at the qualifying round (120 km), the participant/breeder shall pay the application fee of all returned pigeons, upon demand with no exception.
4. For pigeons that returned **after the first 3 days**, the participant/breeder may choose whether or not to pay the application fees in order for the pigeons to be eligible for subsequent rounds of competition. If the participant/breeder decided not to pay the application fees, those qualified pigeons shall be declined from all races and will be terminated from participation with immediate effect. In this case, those pigeons will be owned by the organizer and the organizer will have the right to take any action as deemed appropriate.
5. The participant/breeder shall **make a payment for the application fee within 5 days** from the return date of pigeons in the qualifying round (120 km course). In the event of failure to make such payment within the specified time frame or the amount paid is less than the issued invoices, all qualified pigeons shall be declined from all races and will be terminated from participation instantly. In this case, those pigeons will be owned by the organizer and the organizer will have the right to take any action as deemed appropriate.
6. In the event of loss or injury of the pigeon after the qualifying round at 120 km course, the application fees will not be refunded in any cases.

ACE PIGEON PRIZE

Since this is a one loft race, the racing distance of each pigeon is equal. Hence, the pigeon that have the right for win the ace pigeon must have completed all of 3 races and have the results including 330 km, 430 km and 530 km. The organizer will open the clock system in each race for 2 days since the race day (clock system will close 6.00pm on the next day of race day)

Criteria for the winner of Ace Pigeon

The ace pigeon prize will be awarded to the pigeon that is in the top rank of all 3 races, which are at 330 km, 430 km and 530 km, the pigeon with the lowest sum of ranking will be the winner calculated using the following formula

$$\text{POINT} = \frac{\text{Rank} \times 1,000}{\text{Total Basketed pigeons} \times \text{Distance}}$$

TEAM PRIZE

Large Team (Team of 10 pigeons)

1. For the participant/breeder who have signed up 10 pigeons using the same team name when first registered, even though after the qualified 120 km, pigeons from the same team returned less than 10 pigeons, the team still eligible for large team prize.

2. For the participants/breeder who have signed up over 10 pigeons using the same team name when first registered, qualified pigeons, such team will have the right to choose their pigeons to form a new team to be eligible for large team prize (team of 10 pigeons), pigeons rings number can not be duplicated and need to specify with (L-TEAM A), (L-TEAM B), (... respectively) at the end of the team's name.

3. Pigeons that are eligible for the large team prize need to specify ring numbers in each team and seek confirmation from the organizer. Once the qualifying round 120 km course is completed, such team must lodge with the organizer **within 15 days**.

4. In case of participant/breeder unconfirmed formation of team within a specific time frame. Forming team will be done by organizer grouping the ring number in sequence.

5. Upon completion of the team formation, the participant/breeder shall have no right to make any changes to the re-established team(s) including team's name

Small Team (Team of 6 pigeons)

1. For the participants/breeder who have signed up 6 pigeons using the same team name when first registered, even though after the qualified 120 km, pigeons from the same team who had returned less than 6 pigeons, are still have eligible for small team prize.

2. For the participants/breeder who have signed up more than 6 pigeons using the same team name when first registered, qualified pigeons team have the right to choose their pigeons to set up new team to be eligible for small team prize (team of 6 pigeons). Pigeon ring numbers can not be duplicated and need to specify with (S-TEAM A), (S-TEAM B), (... respectively) at the end of the team's name.

3. Pigeons that are eligible for the small team prize need to specify ring numbers in each team, obtain confirmation from organizer, once the qualifying round 120 km is completed, such team must be lodge with the organizer **within 15 days**.
